...the warmth of our people

The essence of Colombian culture is the result of its colorful history and the mixing of Spanish, Indigenous and African customs. This can be experienced at the Carnival of Barranquilla, which was proclaimed as a *Masterpiece of the Oral and Intangible Heritage of Humanity* by UNESCO in 2003.

Come to Colombia and feel the kindness, warmth and wonderful hospitality of its people, be enchanted by their energy and charisma, and discover why Colombians are among the happiest people in the world.
